

Welcome to the new generation of your ESP*

1 October 2015 by Haulotte

Your satisfaction about ESP is already highly scored as testified by several customers, such as LOXAM, GAM, EUROPLATAFORMAS 2000, CDP ACCESS, TPC BELARUSLIFT, MONDIA WALLONIE... They recommend ESP because **this online tool enables reduced machines downtimes thanks to fast and reliable spare parts orders.**

See customers' testimonials [here](#).

INTERMAT 2015 has been the opportunity to discover as a preview the **new shape of ESP**. Time has now come to let you navigate beyond **new functionalities**.

Your satisfaction will be even higher with new **customization features** that will help you to be always **more efficient on your daily work**:

- **Ergonomic dashboards** will help you keep your **search history**, simply create your **favorites**, quickly find **previous online orders** or post your **requests online** anytime.
- Your spare parts searches are now even easier thanks to a **stronger search engine** enabling the use of **multi-criteria filters**.
- All **news and offers are online**, no fear to lose a good deal!
