

Maximal attends the 113th Spring Canton Fair

24 April 2013 by Maximal

During April 15th to 19th, we attend the 113th Spring Canton fair as usual, booth No. is 6.0D12-13. Visitors are relatively less than before, Good news is Maximal's booth still attracted a lot of customers old and new, they showed their strong interest in our products especially Maximal's newly launched products such as A series forklift, 13.5T heavy duty forklift.

Welcome SECCO to visit our company

On 12th Apr., SECCO company, Maximal's exclusive distributor, visited Maximal, it is the second time they visit our company during our cooperation period. Mr. Lucas and Mr. Luciano, SECCO's top managers, spoke highly of our company for our hard work and impressive progress. Both Maximal and SECCO have great confidence for the future cooperation.

Storage Forklifts Information

Below are the Maximal storage forklifts to 20th, April for your reference.
