

# Raimondi Cranes presents new products at Bauma 2019

27 May 2019 by Raimondi Cranes

Raimondi Cranes showcased three cranes onsite at Bauma 2019, and welcomed thousands of guests over the course of the event. Two of the cranes, erected at the Raimondi exhibit situated at FS 1102/2 in the event's outdoor area at the Messe München Trade Fair Center, were shown alongside the MRT573's slewing unit, cabin mast and counter jib.

The exhibition also saw the unveiling of the new LR273 luffing jib crane, and the first showing of the hydraulic luffing LRH174. In addition, the company also exhibited the SL20-TC Crane Lift and the Deluxe R16 Crane Cabin.

With more than 620,000 visitors from over 200 countries, Bauma 2019, the world's leading trade fair for construction machinery, building material machines, mining machines, construction vehicles and construction equipment, generated the best results in the exhibition's 65-year history.

The number of visitors rose by about 40,000 over the total produced during the previous event in 2016 with more than 250,000 visitors from countries outside Germany.

The top 10 visitor countries after Germany were: Austria, Italy, Switzerland, France, the Netherlands, Russia, Sweden, the Czech Republic, Poland and Great Britain. The trade fair also experienced a strong increase in attendance from overseas visitors. Significant gains in this group were produced by China, Australia and Japan.

The number of exhibitors totaled about 3,700 from 63 countries – likewise a record. With its unprecedented 614,000 square meters of space, this year's edition was the largest Bauma ever held. Bauma 2022 will be held from April 4 to 10 at the Messe München Exhibition Center.
