

First award of the year for Haulotte

23 January 2020 by Haulotte

2020 starts strong! Haulotte Iberica attended the LoxamHune annual convention held in Madrid on January 18th. On this occasion, the group received the prestigious «Best machine» award for the articulating boom lift HA15 IP.

Haulotte HA15 IP rated as «Best machine»

LoxamHune is a leading equipment rental company in Spain and Portugal. For the second edition of its annual convention, the organization spotlighted some staff or partners during an award ceremony, and Haulotte won the highly desired prize with its HA15 IP electric machine. Thanks to its compact size and short turning radius, the articulating boom lift offers excellent manoeuvrability in little spaces. Robust and easy to maintain, this versatile machine can be used both, indoors and outdoors. The full proportional controls provide excellent productivity and a high standard of comfort. «This prize highlights that our mobile elevating work platforms meet our customers' needs. With a complete offer, Haulotte is a quality partner that supports companies in their daily challenges» said Ivan Morodo, General Manager of the Spanish subsidiary.
