

ERA welcomes Groupe LT and Epiroc as members

28 May 2020 by ERA

The European Rental Association (**ERA**) is very pleased to welcome Groupe LT and Epiroc as new members, with Groupe LT joining as a direct member and Epiroc as an associate member.

Groupe LT is a French company established in 2003. It is one of the leaders in construction equipment rental and transportation, with 16 branches in France, 350 employees and 500 vehicles. Their range of rental equipment goes from road signs to construction equipment (with or without operator), and also including bungalows and containers.

Epiroc AB is a Swedish manufacturer of mining equipment. It is headquartered in Stockholm and has its manufacturing facilities in Sweden, the US, Canada, China, India and Germany.

Its roots lay in Atlas Copco, which was founded in 1873 in Stockholm, and it was created as a result of Atlas Copco's decision to split out its legacy business of mining equipment. It became a stand-alone company in 2018.

For more information about Groupe LT and Epiroc, please visit www.groupe-lt.fr and www.epirocgroup.com.

Please find more information about the benefits of joining ERA, including being part of a European rental network, growing your knowledge in the industry and strengthening the voice of the industry, on our website: <https://erarental.org/en/join-us>. Membership is open to rental companies, suppliers (associate members) and national associations.

If you have any additional questions, please contact the ERA team at era@erarental.org.
