

CTE has a new distribution partner for TRACCESS spider lifts in the US

2 October 2020 by CTE

CTE recently signed an agreement with Innovativ Hoisting, based in Willington, CT, for CTE TRACCESS spiderlift distribution and after sales operations in the Eastern US

CTE SpA has signed an agreement with Innovative Hoisting LLC, active in the lift and hoisting industry (trailer cranes and inclined lifts).

The a dealer agreement is for the distribution of CTE TRACCESS (track mounted platforms from 13 to 27 m), with service support in the Eastern United States.

Innovativ Hoisting LLC is a company with decades of experience in the field of lifting with market knowledge and an After Sales service team to guarantee assistance in these territories.

For Massimo Franceschi and Tim Hunt, CTE Spa Area Managers that have lead this project, the agreement with Innovativ Hoisting LLC is an important element for the development of the CTE commercial network internationally and for the growth of CTE TRACCESS spiderlift range on which the company is investing resources in terms of innovation and development.

Michael Gnazzo, president of Innovativ Hoisting is very much looking forward to the relationship with CTE and representing this global leader in the spiderlift market. The CTE TRACCESS products are a perfect fit for the US market and Innovativ Hoisting.
