World class – Team Liebherr plays at the Santiago Bernabéu Stadium

Safe installation – Gruas Aguilar and Eurogruas 2000 simulated the crawler cranes' hoists in advance so that they could then position the massive girders for the new roof perfectly.

Image source: Liebherr-Werk Ehingen GmbH

Legendary football stadium Estadio Santiago Bernabéu in Madrid is currently being refurbished. It will reopen in 2022 in the form of a superb, ultra-modern stadium with a wide range of positive features. [Read more >>](#)

Creating intelligence in the pharmaceutical supply chain

Creating intelligence in the pharmaceutical supply chain

Image source: RAVAS Europe BV

Covid-19 is straining supply chains around the world, most notably those of pharmaceutical companies. Scarcity of raw materials upstream and overheated demand downstream cause disruptions. [Read more >>](#)
