COHIDREX AT SMOPYC 2021

8 November 2021 by Anmopyc

Cohidrex will be present at Smopyc, Stand 6, E-F /23-28, for another edition, with more than 200 m2 to display all their latest developments.

Cohidrex, a global company specialized in **spare parts and equipment for heavy machinery** of construction and mining, will be exhibiting at SMOPYC 2021 their line of **Trasteel Wear Parts**, with a wide range of bucket teeth and adapters for excavator and loaders included in their flagship brand **Trasteel Elite**; **Trasteel Blades** cutting edges and end bits; and **Trasteel Tools** hydraulic hammer tools and milling bits.

Trasteel Elite full range of wear parts offer a greater durability thanks to an innovative design and highly technologically advanced production processes, enhancing productivity and efficiency levels by increasing

performance and minimizing costs regardless of the work at hand or the terrain.

Their wide range of wear parts becomes once more the key element of this global brand.

In addition to their main brand of wear parts, their line of **Trabber** rubber tracks, **Trasteel Track** undercarriage parts and **Trasteel Tech** equipment and attachments will also play a significant role at the exhibition.

Trabber rubber tracks have been precisely designed with wear protection rubber compounds to be extremely robust, increasing their useful life and improving the traction and adaptation to the terrain.

After a huge launching success of their renovated online platform **ECS 2021**, Cohidrex will continue promoting this web tool that simplifies online purchases. This new version comes with a brand-new image and incorporates modern, more intuitive technology. It is available for all devices and includes more useful information, such as online brochures, cross references and different search engines that will help identify the pieces quickly, easily and with reliable results.

Offering a wide range of products, Cohidrex is a leading company in the field with more than 30 years of experience. Their exceptional vocation for customer service provides a significant added value to their clients that is the ultimate goal of the company: Committed to You.

Visit them and discover this and a much more!
