Doosan Demos and Displays New Products at Hillhead 2022

Humps demonstrating continuous 6-wheel ground contact of Doosan

IMAGE SOURCE: DOOSAN INFRACORE EUROPE S.R.O.

Doosan took the opportunity to demonstrate and display the very latest products from the company for the quarrying, mining and construction industries for the first time at the Hillhead 2022 exhibition. On display on the Doosan stand was the new version of the Doosan **DX530LC-7** 53 tonne crawler excavator. Next to the stand in the Quarry Face Demo Area, a **DX420LC-7** 43.5 tonne crawler excavator continued to load a Doosan **DA30-7** articulated dump truck (ADT) throughout the show. [Read more >>](#)

Kramer: Highlights at Bauma 2022

Kramer 8085 SmartAttach

IMAGE SOURCE: Kramer-Werke GmbH

Under the motto “Meet the Future”, **Kramer** is presenting itself at Bauma 2022 on stand FN.915 together with its sister brand **Wacker Neuson** on an area of almost 5,000 square metres. The motto reflects the focus of the trade fair presentation: the personal exchange with the visitors is clearly in the focus. However, “Meet the Future” also underlines that future topics such as electrification and digitalisation will play a major role at the stand. [Read more >>](#)

CIFA at Bauma 2022: creating a sustainable site

Carbotech booms

IMAGE SOURCE: CIFA Spa

With new electric machinery and digitised operations, **CIFA** is aiming to reduce emissions on site and to align itself with the goals of the Corporate Social Responsibility (CSR). [Read more >>](#)

The Wirtgen Group at Bauma: ‘The Future in Roadbuilding – Smart. Safe. Sustainable.’

The compact dimensions and optimal machine weight of the new W 100 Fi, W 120 Fi and W 130 Fi compact milling machines from Wirtgen make them ideal for a wide range of applications – also on construction sites with restricted space.

IMAGE SOURCE: WIRTGEN GROUP

In Munich, the **Wirtgen Group** is presenting sustainable – and therefore pioneering – solutions for the road construction industry and is once more demonstrating its outstanding powers of innovation. [Read more >>](#)

Zero-emission Sinoboom investment for Balloo

Balloo handover

IMAGE SOURCE: Sinoboom

A sizeable order for **Sinoboom**'s new rough terrain electric product range has been placed by Balloo Hire. The order, for all-electric rough terrain scissors and articulating booms, was recently agreed during a visit by a team from Balloo to Sinoboom's European Head Office in Ridderkerk. EFFER launches three new generation crane models

EFFER iQ. 1200 HP

IMAGE SOURCE: Hiab

Hiab, part of Cargotec, launches three new EFFER heavy loader cranes with lower fuel consumption and the new advanced operating system SPACEevo to improve productivity and safer operation. The three new models, EFFER iQ.1200 HP, 110 tonne metre (tm), EFFER iX.550 HP, 51 tm, and EFFER iX.355 HP, 32.1 tm, are available to order from EFFER dealers globally. [Read more >>](#)

Wacker Neuson: Bauma 2022 Highlights

Wacker Neuson ConcreTec

IMAGE SOURCE: Wacker Neuson SE

Under the motto “Meet the Future”, **Wacker Neuson** presents itself in Bauma 2022 at booth FN.915 along with the affiliated brand Kramer. The motto reflects the focus of the presence in the trade fair: Personal interaction with the visitors is very clearly in focus. But “Meet the Future” also underlines the fact that future themes like electrification and digitization will play a major role in the Wacker Neuson booth. [Read more >>](#)

Balfour Beatty joint venture awarded two development contracts in Hong Kong

Balfour Beatty skyscraper

IMAGE SOURCE: Balfour Beatty

Balfour Beatty, the international infrastructure group, today announces that its 50:50 joint venture, Gammon, has secured two significant development projects with a combined value of HK \$6.1 billion (c. £635 million) for two new government buildings and five residential towers, located in Kowloon, Hong Kong.
