

Central Cranes & Service Becomes Link-Belt Crane Distributor for Oklahoma

24 March 2023 by Link-Belt Cranes

Effective January 1, 2023 **Link-Belt Cranes** has appointed Central Cranes & Service of Oklahoma City, Oklahoma the authorized Link-Belt Crane distributor for the state of Oklahoma.

"We are excited to be adding Central Cranes & Service to our distributor family. We expect great things from our new partner," said Gary Lane, North American Sales Manager for Link-Belt Cranes.

Central Cranes & Service will provide comprehensive sales, parts, and service support with a total commitment to delivering optimal product life-time value to existing and future Link-Belt crane owners.

"Representing the Link-Belt Crane account and offering this product line to our customers is an exciting next chapter for our company. We believe we have the team to provide the highest level of customer support that is the standard for all Link-Belt dealers," said Joel Francis, General Manager for Central Cranes & Service.

Link-Belt Cranes, with headquarters in Lexington, Kentucky, is a leader in the design and manufacture of telescopic boom and lattice boom cranes for the construction industry worldwide.
