## Food Security SummitX 2025: Global Conference on Food Security

20 June 2025 by Food Security SummitX

The **Food Security SummitX**, an international event inspired by the ancient Indian concept of “*Sarvabhojna*”, is set to bring together global leaders, innovators, and experts to address one of the world’s most urgent challenges—securing food for all. Rooted in the belief that food is both a fundamental right and a shared responsibility, the summit seeks to promote inclusivity, collaboration, and collective well-being.

This high-impact event will gather stakeholders from across the food security landscape—from AgTech innovators to policymakers and sustainability experts—to collaborate on solutions and drive global action. The summit will focus on fostering cross-regional partnerships, knowledge-sharing, and effective strategies to ensure a hunger-free world. It will take place in **Dubai** on September **17th-18th, 2025**.

With an estimation of over **1000 attendees, 300 companies, 50 exhibitors** and **70 expert speakers** in attendance, SummitX will spotlight innovative advancements and facilitate discussions on key issues such as **sustainability, water management, food security, and biodiversity conservation**—all aimed at tackling the world's most pressing challenges. The event is organized by **HubifyX**, a platform bridging the worlds of agriculture, finance, energy, and food security.
